Updated Photos Coming Soon Experience the best of both worlds with this updated log cabin in the old Subdivision of Panorama Mountain Resort, blending a timeless alpine feel with a fresh, contemporary open-concept design. Large windows and vaulted timber-frame ceilings fill the interior with natural light. The sleek, renovated kitchen complement the striking original log features, offering a unique and luxurious living experience. The second floor offers 2 bedrooms and a full renovated bathroom, while the basement features two more bedrooms and full bathroom plus additional family living space. Experience the warmth and intimacy of a true rustic retreat with its classic features, such as a large log fireplace and cozy, intimate living spaces. The oversized deck is a peaceful haven for enjoying a morning coffee or a quiet evening under the stars while listening to the sound of Toby Creek. Located just a short, peaceful walk to the village lifts, this cabin offers the perfect blend of convenience and seclusion. (id:36535)
